EDUCATION

University of Texas at Austin

B.S. Electrical and Computer Engineering
Minor in Business Foundations

May 2029

Lone Star Community College

A.S. in Computer Science

May 2025

TECHNICAL SKILLS

Computer Programs: Git/GitHub, VS Code, Jupyter Notebooks, Replit, Geany, Unity, Godot, Arduino IDE, Excel

Programming Languages: Python, C++, C, Java, C#, JavaScript, HTML/CSS, p5.js, GDScript, MATLAB, LC-3 Assembly

EXTRACURRICULAR ACTIVITIES

SUMMER PROGRAMS

- New York Junior Academy of Sciences Scholar 2023 - 2024
- NASA High School Aerospace Scholar 2023 - 2024
- Civic Innovators Fellowship Member 2023 -2025
- Society of Women Engineers Member 2025 - Present
- UT Boxing Club Member 2025 - Present
- Rice University Youth Science Workshop Participant 2022
- UT Austin CS Academy for Women Participant 2023
- Congressional App Challenge 2023
- MIT Lincoln Laboratory (LL) Cipher 2024
- UT Engineering Summer Bridge Program 2025

PROFESSIONAL & TECHNICAL EXPERIENCE

Student Staff, Texas Inventionworks (TIW) 04/2026 - Present

- Designed and fabricated prototypes using 3D printing, laser cutting, and machining tools
- Applied hands-on manufacturing techniques to support hardware development, testing, and iterative design

Connected and Automated Vehicle Team Member, EcoCAR Challenge 02/2026 - Present

- Selected for the EcoCAR CAV team, supporting ADAS development and testing in a DOE- and GM-sponsored competition
- Assist with integration and evaluation of sensor-based perception systems (camera, radar)
- Collaborate with multidisciplinary teams on system validation and testing workflows

Undergraduate Researcher, NSF REU: Security for Emerging Networks 05/2026 - Present

- Selected for a competitive National Science Foundation-funded REU at the University of Alabama
- Designed and evaluated solutions for vulnerabilities in connected infrastructure and real-time data networks

Undergraduate Researcher, Dr. Javad Mohammadi, Vehicle-to-Grid (V2G) Transportation Project 09/2025 - 05/2026

- Research vehicle-to-grid integration to improve renewable energy utilization and grid stability
- Analyze electric vehicle (EV) charging data and model energy flow interactions between vehicles and the grid
- Collaborate with graduate researchers to support simulation development and data visualization

Engineering Extern, ConocoPhillips & Hewlett Packard Enterprise 01/2026 - 05/2026

- Participated in an engineering externship exploring real-world applications of ece across both energy and technology sectors
- Observed and engaged with engineers to understand how technical decisions impact performance, efficiency, and scalability

Coding Coach, iCode Cypress 02/2023 - 01/2026

- Guided students through coding projects, helping them turn ideas into working programs
- Broke down complex programming concepts into simple, engaging lessons

LEADERSHIP & COMMUNITY SERVICE EXPERIENCE

Corporate Liaison, Institute of Electrical and Electronics Engineers (IEEE) 09/2025 - Present

- Build and maintain relationships with corporate partners to expand opportunities for members
- Support planning and execution of professional events, including networking sessions and company-facing initiatives
- Help maintain Outreach and Mental health pro

Memberships Chair, National Society of Black Engineers (NSBE) 08/2025 - Present

- Lead membership engagement efforts and support retention within the chapter
- Designed the official 2025–2026 NSBE chapter T-shirt and contributed to branding initiatives

Mentor, Code2College & Terry Scholar 06/2025 - Present

- Guide high school students on résumés, academics, and STEM pathways
- Share personal experiences to help mentees navigate obstacles

Workshops Lead, Cockrell School Cares 07/2025 - Present

- Design workshops promoting wellness and community for engineering students
- Connect peers with practical strategies for stress management and success

Volunteer, Bear Creek Baptist Church 08/2018 - Present

- Support weekly children's and student ministry activities
- Help run the church's nonprofit coffee shop to serve the community

AWARDS

Arcturus Magazine Published Poet - 04/2022

Texas Girls Collaborative Project High School Stand Up for STEM Award - 12/2023

NCWIT Aspirations in Computing High School Award National Honorable Mention - 02/2024 & 02/2025

CFISD 16-6A Academic All-District & All-State - 05/2024 & 05/2025

Coca-Cola Scholar - 03/2025

University of Texas at Austin Terry Scholar- 04/2025

Blacks at Microsoft Scholar - 07/2025

Society of Women Engineers Scholarship - 07/2025

Top 25 Finalist, PGE Energy AI Hackathon - 02/2026

ECE Undergraduate Faculty Interview Panelist - 01/2026

Guest Speaker GWC & Georgia Day of Code - 2024-2026
